

# SAFEGUARD YOUR WORDPRESS WEBSITE FOR THE YEAR

## NEW BACKUP & UPDATE SERVICE

Every day, thousands of websites experience data loss due to hacking, accidental damage, host outages, or malicious intent.

We are now offering you a solution which will protect your site from these kinds of issues, plus at the same time removing the need to update WordPress and your plugins allowing you to concentrate on your business and not your website.

**WE CAN TAKE CARE OF IT ALL FOR £99 PER YEAR.**

### SECURITY ESSENTIALS

- ✓ Daily offsite backups
- ✓ No storage limit
- ✓ One click restores
- ✓ Easy migrations
- ✓ Comment spam protection
- ✓ SEO protection

### ONGOING PEACE OF MIND

- ✓ Monthly update service guarantees your site is running the latest versions of plugins and WordPress
- ✓ Plugin compatibility check with WordPress before updating
- ✓ Thoroughly test your website after updates
- ✓ Check your site for any signs of attacks or infections
